Good news – You now have more time to avoid overdraft fees

With Chase Overdraft Assist^{SM,1}, we won't charge an overdraft fee (\$34 Insufficient Funds Fee) if you're overdrawn by \$50 or less at the end of the business day. And now, for Chase Business Complete CheckingSM, Chase Total Business Checking[®], Chase Business Classic CheckingSM, and Chase Business Select CheckingSM accounts, we won't charge an overdraft fee if you're overdrawn by more than \$50 and you bring your account balance to overdrawn by \$50 or less at the end of the next business day (you have until 11pm ET / 8pm PT to make a deposit or transfer²).³

Receive alerts when your account balance is overdrawn with Account Alerts⁴

- You can sign up to receive alerts by email, text message and push notification when your account is overdrawn. This alert will also notify you when your account is overdrawn by more than \$50 and you need to make a deposit or transfer to avoid overdraft fees.
- If you'd like to enroll, you can sign in to chase.com or the Chase Mobile[®] app⁵, select "Alerts" from the navigation menu and follow the instructions to choose "My account is overdrawn" alert and delivery methods.

As a reminder, we pay overdrafts at our discretion so we don't guarantee that we will always pay any type of transaction. You're responsible to make a deposit or transfer to avoid overdraft fees, even if you do not receive a notification alerting you that your account is overdrawn more than \$50.

For eligibility and additional information on our overdraft services and associated fees for Chase Business Complete Checking and other products, please refer to the Additional Banking Services and Fees for Business Accounts (chase.com/business/disclosures), or call us at the number on your statement. We accept operator relay calls.

¹Chase Overdraft Assist is available with eligible accounts and products, and does not require enrollment.

²If you make a deposit or transfer this assumes we don't place a hold on the funds or that a check deposit is not returned.

³For Chase Performance Business Checking[®], Chase Platinum Business CheckingSM, Chase Analysis Business CheckingSM, certain complex products (such as Automatic Dollar Transfer (ADT)), or for other accounts with discretionary overdraft review, you will only have until 11pm ET (8pm PT) on the same business day, and not the next business day, to make a deposit or transfer to bring your account balance to overdrawn by \$50 or less.

⁴Account Alerts: There is no charge from Chase, but message and data rates may apply. Delivery of alerts may be delayed for various reasons, including service outages affecting your phone, wireless or internet provider; technology failures; and system capacity limitations. Any time you review your balance, keep in mind it may not reflect all transactions including recent debit card transactions or checks you have written. A qualifying Chase transfer account is required to transfer funds via text.

⁵The Chase Mobile app is available for select mobile devices. Message and data rates may apply.
